Argentine Grill for Masonry Firebox

Argentine Grill for Masonry Firebox

Shown here without a brasero or ember maker, in 36" X 24" X 12" with 3 sided countertop trim, this grill is designed to fit inside a 36.5" X 24" X 12" deep firebox.

All Argentine Grills for Masonry Firebox include:

- Wheel, ratchet lock, and stainless steel aircraft cables.
- Sloped Argentine V-Grate of 3/4" X 3/4" X 1/8" steel angle.
- Countertop trim depending on the configuration desired.

Arg. Grill 4MFB w/Side Brasero and 4 Sided Trim

This grill kit plus brasero fits in an open front firebox that is 12.5" wider than the grill width. This 36" X 24" X 12" grill kit fits in a masonry firebox that is 48.5" X 25.75" X 12". The brasero clears the firebox floor by 6" and the legs clear the floor by 4". Includes windguard on rear and left of brasero.

Arg. Grill 4MFB w/Rear Brasero and 3 Sided Trim

This grill kit plus brasero fits in an open front firebox that is 12" deeper than the grill depth. This 36" X 24" X 12" grill kit fits in a masonry firebox that is 36.5" X 32" X 12". The brasero clears the firebox floor by 6" and the legs clear the floor by 4". Includes windguard on rear of brasero.

Argentine Grill Kit for Fireplace

Argentine Grill Kit for Fireplace

The drawing, above, shows an Argentine Grill Kit for a Fireplace where a brasero is not used. Where a left wall is not used, for instance, when a brasero used and a half wall between the brasero section and the grill section is not used, add a top crossbar to increase grill stability.

Fireplace for Argentine Grill Kits

Fireplace Kit for an Argentine Grill Kit

We sell complete fireplace kits, with a lifetime warranty in 36X28, 48X28, and 60X28 sizes.

Uruguayan Grill Kits

Asado Catering Foundation
